

# What is ONE ASIA?

---

ONE ASIA is the partnership of two very successful manufacturers (DAIZO & PAX) who understand the different needs of the Asian Region.

- We can manufacture your aerosol and liquid product requirements throughout Asia.
- We are Internationally Competitive in Quality, Service and Price.
- We provide a comprehensive and innovative technical service.
- We set a new standard in fast speed to market resulting in shorter and more efficient supply chain management for the Asian Region.
